Retention and Repeat Purchase

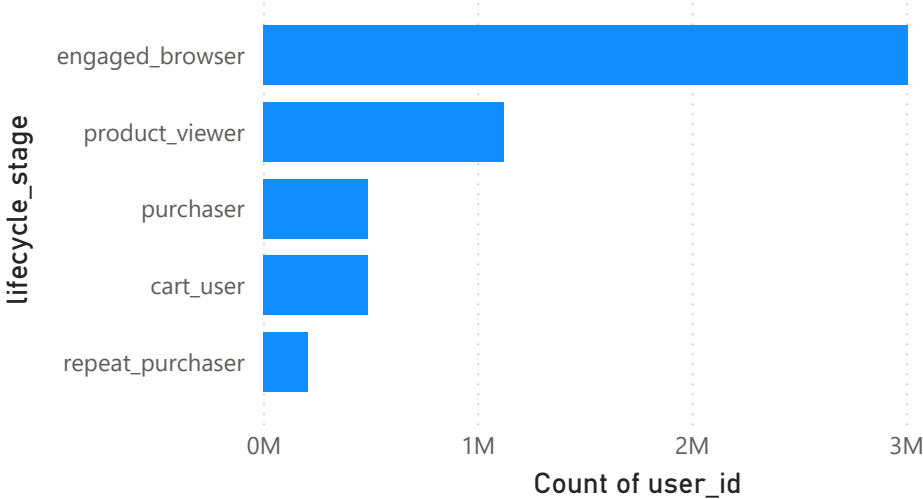

Repeat Purchase Rate

Best Observed Week 1 Retention

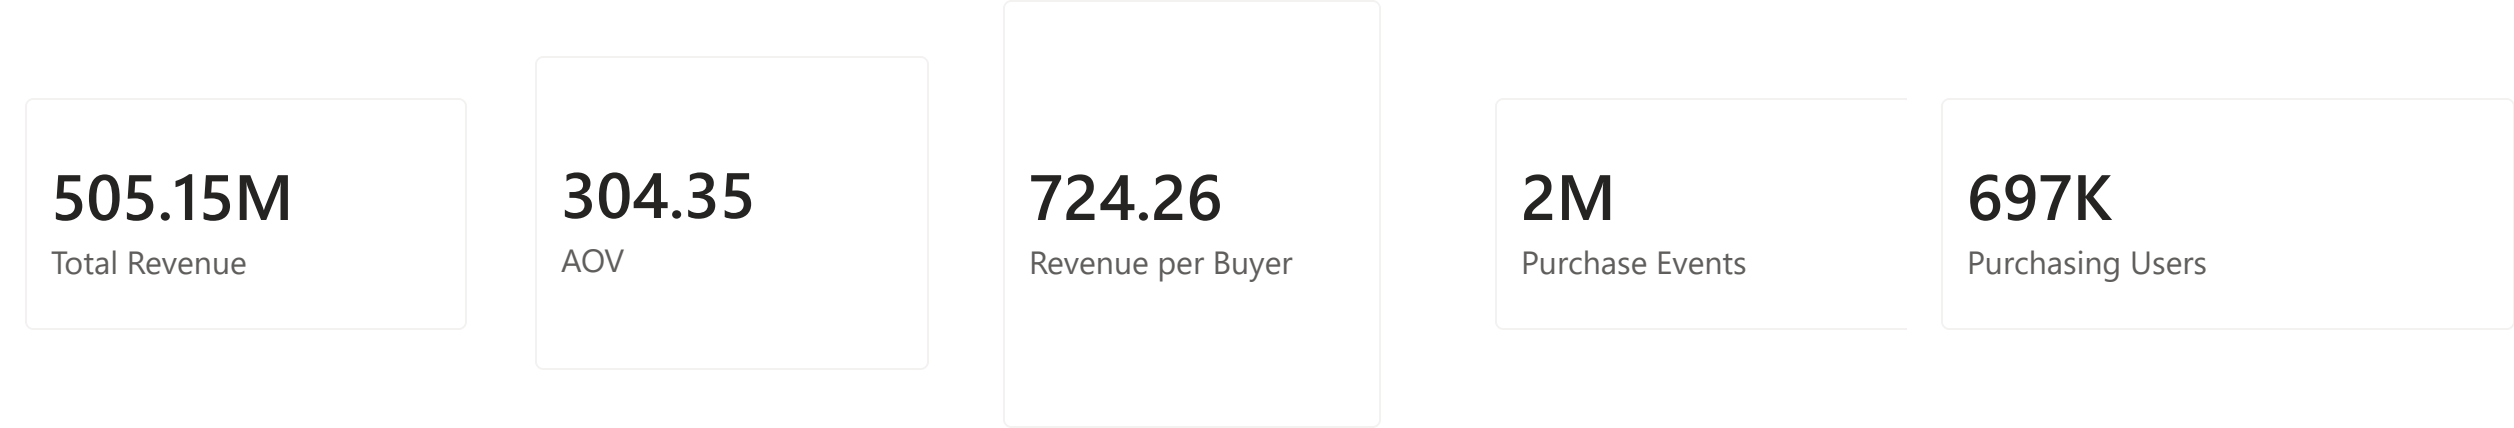

Users by Lifecycle Stage

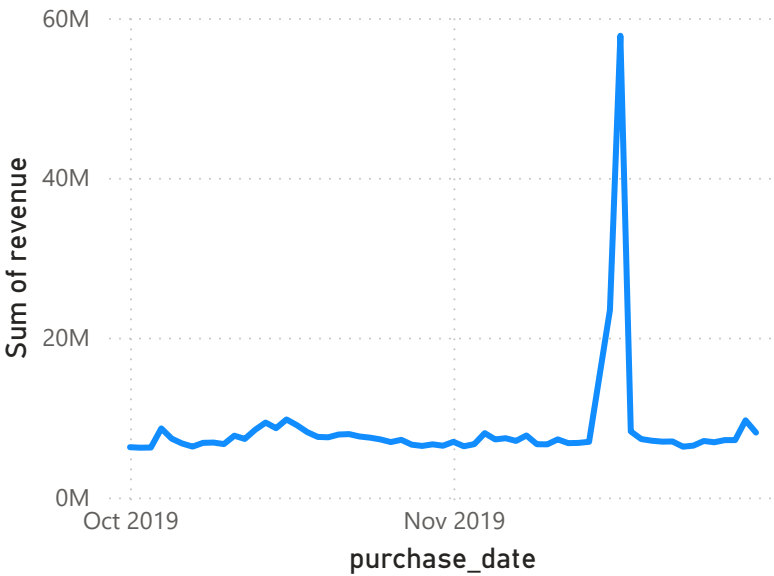

Repeat purchase rate is 29.99%. Retention exists, but most buyers are still one-time buyers, so first-time buyer retention is the next major growth lever.

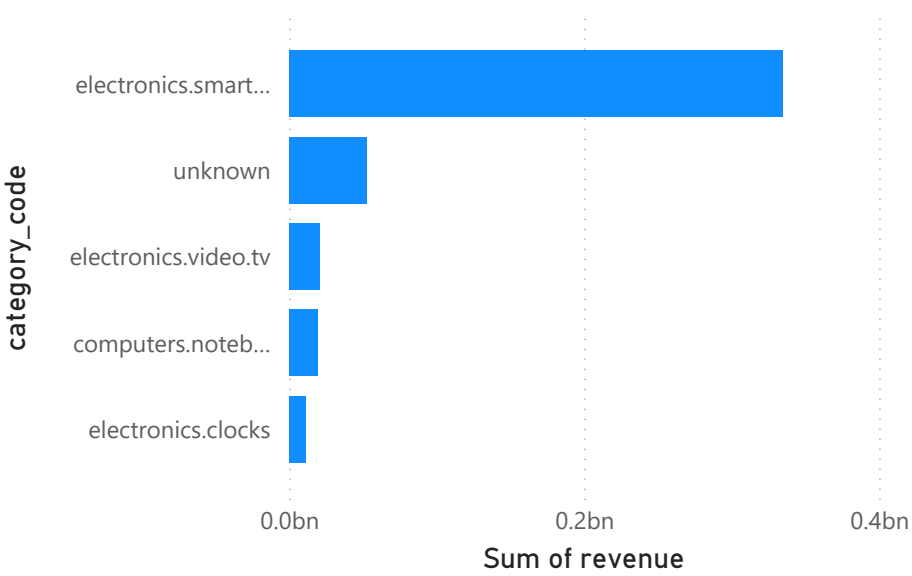

Revenue and Customer Value

Daily Revenue

Top Categories by Revenue

Revenue is concentrated: 50,507 buyers generated 50% of total revenue. Repeat buyer and high-value customer retention should be a major growth priority.
